\$300,000 Store To Be Erected At Crenshaw-101

Construction of a \$300,000 supermarket at the southwest corner of Pacific Coast Hwy. and Crenshaw Blvd. will start within 30 to 40 days, it was announced here yesterday by William H. Tolson, representing the January Co. of Long Beach.

The new store, which will serve as a nucleus for a modern shopping center, will be operated by Cole's Markets, which now has five stores in Long Beach and one in Garden Grove.

A Cole's Market official said yesterday that they hoped to have the market ready for opening by the first of November.

The new store will contain 20,000 square feet. Leases for a drug store and other stores are now being negotiated, Tolson said.

NEWCOMERS' PARTY PLANNED... Rev. J. J. Walker, with pencil, points out location of new First Christian Church site to new members of the church congregation, the David B. Ladd family, of 2929 W. 176th St. Left to right are Ladd, his daughter, Beth, Rev. Walker, Dave Ladd, and Mrs. Ladd. Nearly hidden is Walt Levy, church lay leader. The Ladds will join with other members of the church to morrow evening at the YWCA at a party honoring all new members of the congregation.

Former Longren Official Joins Long Beach Firm

Les N. Altkman, former executive assistant at Longren Aircraft Co. here, has been named to the executive staff of Diamond Aviation Associates, distributors and manufacturers of aircraft fittings and hardware, in Long Beach; it was announced yesterday. Altkman will assist the company president in general administration of the company and be responsible for sales promotion.

Plans Begun For Widening Of Crenshaw

Plans are now being prepared for the widening of Crenshaw Blvd. between Sepulveda Blvd. and Carson St., and work should begin in spring or early summer, City Manager George Stevens said Tuesday.

Allocations from the State gas tax will be used to finance the improvements.

The present two-lane street will be doubled and the roadway improved, Stevens said. This will accommodate the increased flow of traffic from the recently completed section of Crenshaw south of Sepulveda. More traffic also is expected from Sepulveda, which is undergoing improvement.

A stretch of Crenshaw between Sepulveda and Lomita Blvds. is virtually completed and is carrying traffic. Another section between Pacific Coast Hwy. and Lomita Blvd. was completed last year.

The section of Crenshaw between Carson and Torrance Blvd. is four lanes wide, but some parking restrictions may be necessary to provide space for traffic after the southern section is completed, Stevens said.

Spirit Search To Be Subject Of Sunday Talks

"The Spirit searcheth all things, yea, the deep things of God." These words of Paul to the Corinthians are the Golden Text (I Co. 2:10) in the Lesson-Sermon on "Spirit" to be read in all Christian Science churches on Sunday.

The healing effects that result from the understanding of God as Spirit were demonstrated by Christ Jesus, according to the Christian Science committee on publication. According to Matthew's Gospel (12:22-28) there "was brought unto him one possessed with a devil, blind, and dumb; and he healed him, insomuch that the blind and dumb both spake and saw." Confirming his use of God's power he declared, "If I cast out devils by the Spirit of God, then the kingdom of God is come unto you."

"Jesus did his own work by the one Spirit," affirms Mary Baker Eddy in the Christian Science textbook, "Science and Health with Key to the Scriptures." Later she counsels, "Let us feel the divine energy of Spirit, bringing us into newness of life and recognizing no mortal or material power as able to destroy."
